

Horoscope 2021 Marriage Report for Mr. XXXXXX

Dear Sir,

Thanks for your order for **Horoscope 2021 Marriage Report**.

We have gone through the Horoscopes in detail, prepared and given below our considered opinion.

Here we want to underline that Astrology is meant for guidance about the nature of the path, called Destiny, in the journey of Life. This path may be smooth, bumpy, or full of potholes. But, you can always modify, moderate or accentuate the impact of this path on your journey of Life, through your Karma (actions), willpower and astrological remedies. But, for amending this path, you should have the knowledge of the limit as well as direction, of the possible amendment in your path of Destiny, which is provided by the great science of Astrology.

This report by AstroDevam.com will help you to understand the extent, directions, and ways of modifying, moderating, or accentuating the effects of the path of Destiny on your journey of Life.

Another aspect, which we want to stress here, is that what God wills can

only be revealed, and hence the entire process of astrological consultation is based on divine blessings.

Your Horoscope

We have gone through your horoscope, and as desired by you, we have focused mainly on Marriage aspects of your life in the Year 2021.

For analyzing Marriage aspects of the horoscope, as dictated by the Vedic Astrological Norms, the Ascendant or First House (House represents Self, Health, Behavior, etc), Seventh House (House of Spouse, Partner, etc) along with the other Houses are to be taken care of along with their lords. In addition to the above, D-9 (Navamsha) chart, a divisional horoscope mainly focusing on life events related to marriage, relationships, etc, aspects is to be analyzed. Planet Moon, Venus being Karaka for Marriage, with the Ascendant Lord are also to be taken care of, as they play a very important role during the analysis of the Marriage of Native.

While analyzing your horoscope, the first thing which attracts the attention of a professional astrologer is that Saturn, Ascendant Lord, the key Planet for the occurrence of any events of your life, is placed in the Seventh House, the house related to marital matters. When Ascendant Lord goes to the Seventh House (House of Marriage, Partnership etc), it is considered a favorable factor for marital matters.

But many more unfavorable factors are present in your horoscope which are indicative of breaks or hurdles in marital matters. According to your Horoscope, Mars as a fiery Planet, which is highly inimical to Ascendant Lord Saturn, is aspecting not only it, but simultaneously to Seventh House also. Moreover, it is also afflicting Venus, the Karaka for the happy marital life in a male horoscope.

The presence of Rahu in the Seventh House causes a lot of communication gaps with the spouse.

If we consider the Moon Chart, the Seventh Lord from Moon, Saturn has gone into the Eighth house from it and afflicted with Mars as well as Rahu, which is the least desired thing. It is again not a good situation for Marriage.

The placement of the Seventh Lord in D-9 (Navamsha Horoscope- a divisional horoscope relating to Marriage and destiny), Mercury, in the Sixth House (Conflicts, Struggle etc.) also disturbs marital bonds.

Probably, we have raised a lot of negative aspects in our analysis, but since, these are factual, we highlighted them, so that you may take corrective

actions, either through behavioral analysis or with the help of astrological remedies suggested by us.

Your Questions

Possibility of Second Marriage

You will undergo, the Minor Period (AntarDasa) of Lord Sun, Lord of Seventh House, under the Major Period (MahaDasha) of Lord Venus from June 04, 2021, to June 04, 2021.

In this period, there is a favorable Sub Period of Saturn from November 25, 2021 to January 21, 2022.

This brief period of Lord Saturn is highly supportive for materialization of the Second Marriage. You should implement the remedies suggested by us, and entertain the marriage proposals received in this period, which you will receive invariably.

We are stressing this period due to the reason that if you miss this period, then your second marriage will materialize in the Minor Period (AntarDasa) of Lord Rahu, posited in the Seventh House, in the main horoscope as well as D-9 (Navamsha Horoscope- a divisional horoscope relating to Marriage and destiny), under the Major Period (MahaDasha) of Lord Venus, which will start from June 04, 2025, which you may consider a bit late.

So, you should ideally focus on the period **November 25, 2021, to January 21, 2022**, for the materialization of the second marriage.
